Dear Sir:-

I have a very old India  
coin dating (1313), this is  
wonderfully preserved and the  
dialect is all readable,  
It reads.

Province of Bengal,  
2 Annas 1. 16. of a Ropel.

Empire of Rajah, Singah,  
India.

Please inform me as to its value  
and where I could sell it.

Thanking you for your kindness.

Yours truly,  
F. M. Hulslander.

Dear Sir:

Some time ago you wrote us about a two-anna piece of the Province of Bengal, and we wrote you immediately concerning this. We have never heard from you.

Very truly yours,
